### **DETAILED ACTION**

1. This action is in response to applicant's amendment filed on November 18, 2004. **Claims 1-25** are now pending in the present application.

#### ***Information Disclosure Statement***

2. The information disclosure statement submitted on June 21, 2004 was received. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly the information disclosure statement is being considered by the examiner.

### **EXAMINER'S AMENDMENT**

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

in claim 20, line 1, change "chucking" to --checking--

### **REASONS FOR ALLOWANCE**

4. The following is an examiner's statement of reasons for allowance: The application is allowable for the reasons set forth on pages 14-15 of the Applicant's response filed on November 18, 2004 and the reasons for allowance stated in the non-final office action which was mailed on June 18, 2004, which is hereby incorporated by reference.

5. As noted therein, the claimed invention requires *inter alia* a second storage means for storing check permission data, indicating whether a check of the delivery status data of information is permitted or prohibited, for every mobile communication terminal and sending

means designated to retransmit said information to the receiver mobile communication terminal, on the basis of a retransmission command sent from said sender mobile communication terminal, after said sending means sends said delivery status data to the sender communication terminal whereas the closest prior art, Aas in view of Nageli provides first storage means for storing delivery status indicating whether information has been delivered and check permission means indicating whether a check of delivery is permitted by having a user press a key, but it does not provide where a second storage means for storing check permission data indicating whether a check of the delivery status data of information is permitted or prohibited for every mobile communication terminal in combination with the rest of the limitations in each claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
